

GLUTEN AWARE FOODS

We understand that some of our guests may have sensitivities to gluten-related products and we are making strides to provide more menu options for our guests.

Please be aware that while we attempt to keep our gluten-aware menu items in a separate area, we use common equipment to cook the food on. Therefore, we cannot guarantee that any menu item can be completely free of allergens. **Below is a list of food items that are gluten-aware:**

Garden Black Bean Veggie Burger

Made with a gluten-free and vegan veggie patty and available with a gluten-free hamburger bun upon request. Contains soy. Available at Calaway Café, Carousel Kitchen, Dockside Diner, and Riptide Grill.
